

After you've studied the images, choose one poster and answer these analysis questions about it. Write your answers on a separate page or in your regular notebook.

- 1 Summarise the form and genre of this text in a single sentence.
- 2 Look at the visual text. What is the salient element that you notice first?
- 3 What vector lines are created in this text and what is their effect?
- 4 How are the dynamics of movement represented in the image?
- 5 How have light and shade been used to add drama to the text?
- 6 How are shapes used to create visual balance in the text?
- 7 How is colour used symbolically?
- 8 What comments can you make about the composer's selection and use of typefaces?
- 9 What do you think the composer's main message is?
- 10 Comment on the overall impact of the text on you as a viewer.
