Cultural Sensitivity Statement

Use of the material

When using this finding aid, and the collection described within it, clients are encouraged to be mindful and sensitive to Aboriginal and Torres Strait Islander peoples, particularly with regard to the use of this material.

Language

This finding aid and collection may contain words and descriptions which may be culturally inappropriate and insensitive. The language used in this collection may not normally be used in certain public or community contexts. Clients may encounter terms and descriptions, which reflect the author's attitude or that of the period in which the manuscript was written, that may be considered inappropriate today.

Deceased persons

Clients using this finding aid should be aware that in some Aboriginal and Torres Strait Islander communities, hearing recordings, seeing images of the names deceased persons may cause sadness, or distress and in some cases, offend against strongly held cultural beliefs.

Aboriginal and Torres Strait Islander Content

Collection Overview

Scope and Contents note

The collection comprises physical and digital materials collected by or pertaining to the Society of the Catholic Apostolate.

Much of the collection consists of the personal papers of priests who worked at the Pallottine Mission at Tardun, Western Australia. These papers comprise Aboriginal language material, predominantly that of Kimberley peoples, and Queensland peoples but with some from other regions. The language material includes translated liturgical material, and drafts of translations by different Brothers. There is also original language and cultural research in both Queensland and the Kimberley region, contained largely in notebooks with some correspondence. These series also contain published material in English and other European languages, many of which are annotated.

The collection also contains reports, conference papers, speech notes, and correspondence relating to the National Mission Council, and various religious conferences held at Kew, Victoria. There are also newspaper clippings relating to SAC conferences and meetings.

Other material in the collection includes: genealogical trees and charts relating to families at Mullewa, Western Australia, and Geraldton, Western Australia; digital and analogue copies of various dictionaries compiled by Father McKelson; digital shoebox databases; poems, cards, and stories in Language from Kimberley and Tiwi peoples.

Provenance

The collection was donated to the AIATSIS Collection by Father Eugene San, Pallottine's Regional Leader, on 22 July 2017.

Series Description

Series 1, Papers of Father Kevin McKelson, 1845-2012

Kevin B McKelson OAM (1926-2011) was born in Melbourne, Victoria and was ordained as a priest into the religious Order of the Society of Catholic Apostolate (Pallottine) on 2 July 1950. In July 1954 he arrived in the Kimberley region of Western Australia where he worked in the Broome Parish until 1961. Aside from one year spent at Beagle Bay, Fr McKelson was based at the La Grange Mission (Bidyadanga) south of Broome from 1961 to 1991. During that time he studied the Kimberley language groups, in particular the five languages spoken at La Grange Mission – Nyangumarta, Karajarri, Yulparija, Juwaliny and Mangala. Initially McKelson's aim was to teach these languages but government policy did not allow this until the end of his time at La Grange (Bidyadanga). In 1994 Fr McKelson became Chaplain at the University of Notre Dame, Broome Campus, Western Australia, and was awarded an Honorary Doctorate of Laws in 2003.

Series 2, Papers of Father Ernest Worms, 1875-2009

Ernst Worms (1891-1963) was a German born Pallottine brother who was ordained into the Pallottine order in 1920. He studied philosophy and theology, then became involved in missionary and ethnographic work. In 1930, Worms travelled to the Kimberley region in Western Australia, conducting linguistic and cultural research among Indigenous peoples. His fieldwork included studying rock art and Aboriginal languages. He was a founding member of the Australian Institute of Aboriginal Studies (AIAS) and continued his research until his death in Sydney.
