### Production history

These recordings were recorded between October 1955 and December 1964 by linguist Stephen A. Wurm during fieldwork in northern New South Wales, southern Queensland, the Gulf of Carpentaria, Qld and Galiwinku, NT. The purpose of the field trips was to research the languages and songs of Geinyan, Guwamu, Bundjalung, Widjabal, Wujehbal, Githabul, Dungidjau, Darumbal, Waka Waka, Butchulla, Gamilaraay, Ngiyampaa, Wailwan, Malyangapa, Paakantyi, Wangkumara, Yandruwantha, Dinggalbal, Narangbal, Yugambeh, Jagara, Lardil, Kayardild, Djiru, Lamalama, Gupapuyngu and Galali peoples. Performers and speakers included Tommy Close, Dick Donnelly, Willie McKenzie [Gaiarbau], Peter Graham, Harry Lang, Harry Hippi, Mrs C. Williams, Stan Williams, Joe Cullum, Mrs Page, Jacko, Fred, Alison [Kanutu], Thomas Kangaroo, Parraltja, Charlie Phillips, Hannah Quayle and unidentified male and female participants. ## ARCHIVIST'S NOTE

This collection has not been archived in strict chronological order. Field tapes A I – A IV were recorded between October and December 1955, earlier than field tapes 1 -31 and 34-35. The latter field tapes have archived in chronological order.

Hannah Quayle has been identified as the female Malyangapa and Paakantyi speaker on field recordings FT 1-4 by a family member.

Harry Lang has been identified as the Gamilaraay speaker on field recording A III by a family member.

Harry Hippi has been identified as the Yuwaalaraay speaker on field recording AIII by a family member.

Parts of field tapes 12, 13, 15, 16, 31 and 35 which form a part of this collection are duplicated in audio collections [CAPELL A01](#) and [WURM S02](#).

Some of the language / dialect names in this collection have been inferred from what AIATSIS staff have heard on the recordings, not from written documentation supplied by the collector.

This finding aid was compiled from information contained in documentation provided by Stephen Wurm and audition sheets prepared by AIATSIS staff. An outside source identified the speakers/performers and language on field tape NG IV, and speakers on field tapes 12 and 13 on 20 October 1983.
