heiress has just given birth and unleashed hell. Weakened and grieving, she realises her life is in danger, and flees into the desert with her Aboriginal maid. Title: The Catholic Church in Jaru and Gija country : reworking a context of evangelisation in the Kimberley / Noel McMaster
Physical descrip: 210 p. ; 21 cm.
ISBN: 9781863551267 (pbk.)
Annotation: "The 2007 federal government intervention in Northern Territory Aboriginal communities provided impetus for the churches to review their own efforts on behalf of Indigenous communities. Writing out of his personal experience in the Roman Catholic parish of Halls Creek in the East Kimberley, Noel McMaster drafts a new approach to mission and church presence. He notes that much church patronage has been a debilitating phenomenon which amounts to a failure to establish partnership with Indigenous people. He examines what a true partnership in mission could be, and looks to a better missiology by promoting an improved anthropological and theological awareness. The local church, he says, needs to relinquish its evangelising efforts within parish schools, hitherto burdened with transient teachers and voluntaristic religious practices, and seek an authentic discipleship and partnership with fewer agents of mission committed over longer periods of time." -- cover.

Title: Portraits from an uninhabited land / Nicholas Adler.
Physical desc: ca. 140 p. : chiefly ill., map, ports. ; 34 cm
ISBN: 094718927

Annotation: With his portable 'bush studio', photographer Nicholas Adler has captured a haunting and confronting series of portraits of Aboriginal people from Western Australia. From the rugged, lush northern Kimberley to the harshness of the Gibson Desert, people from twenty different communities were invited to sit for the camera - not as exotic or academic snapshot-fodder, but as formally and proudly as any sitters in the classical tradition of portraiture. Defiance, pleasure, pride, even tragedy, will be found in this unique collection - none of these faces will easily be forgotten.

Title: Invasion, resistance, dispossession: Henry Reynolds and the writing of Aboriginal history / Jo Kijas
Annotation: Historiography has been responsible for the rewriting of Australian history since 1970s to accommodate Aboriginal history from different perspectives; Henry Reynolds' writings in the 1970s/1980s saw Aboriginal history from the universalist model of invasion, resistance and dispossession; Reynolds is still an effective and influential voice in the demand for the inclusion of Aboriginal history into Australian history.
