Title: Thematic history of the former Coonabarabran Shire / Ray Christison
Physical descrip: 96 pages : colour illustrations ; 30 cm
Annotation: “This thematic history has been prepared as part of a community based heritage study undertaken in the former Coonabarabran Shire, now Warrumbungle Shire, in 2005-2006. It acknowledges work of local researchers in recording development of the region. Published and unpublished local history
resources, and national reference materials, have been referred to in the preparation of this history, and as far as possible the recollections of current and former residents of the shire have been included in the study. The area covered by the former Coonabarabran Shire sits at the convergence of the territories of three Aboriginal language groups, the Gamilaraay to the northeast, the Wiradjuri to the south and the Wayilwan to the west, which are covered in this publication.
