Local call number: B J788.43/I1
Personal Author: Jones, Philip G., 1955-
Title: Images of the interior: seven Central Australian photographers / Philip Jones.
Physical descrip: 161 p.; ill. (some col.), facsims, map, port.; 27 cm.
Bibliography note: Includes bibliographical references.

Annotation: During the half-century from the 1890's to the 1940's, the theme of the 'bush' emerged as a formative element in a new Australian identity. Assumptions about the Central Australian frontier and its people- black and white- then hardened into stereotypes that still affect our perceptions of this country.

Accession no.: 01648446
Personal Author: Oldfield, Val
Title: No beating about the bush : 10 years living with the dust, dingoes and extraordinary characters of the Birdsville Track / Val Oldfield, as told by Ashley Mallett.
Physical descrip: [8], 208 pages, 16 unnumbered pages of plates : illustrations, facsimiles, 1 map, photographs (some colour), portraits (some colour) ; 25 cm.
General Note: Dedicated to Susan Joy Oldfield.
Partial contents: Ch. 9 Rita
Annotation: "The dust, the flies, the dingoes are the only company, sometimes for weeks, the occasional crackle of a voice over a wireless radio from far-flung places - this was the world of Val Oldfield for 10 years when living on Australia's infamous Birdsville Track. ... Val Oldfield was flung into this world as a naive newly-wed from an Adelaide seaside suburb in post-war boom years of Australia. No beating about the bush traces her life from childhood years, when she wriggled her little toes in the sand at Semaphore Beach, to her teenage years as a modern young in 1950's miss about town, to the alien environment of The Track and to Val's years beyond."--Back cover.
