Everyone at Burra Bee Dee was happy to welcome Mr. Lipscomb once again when he paid a recent visit there and were delighted with his news about building plans for Burra Bee Dee and Coonabarabran.

The residents realise now, that owing to lack of money these plans will not be put into effect for some time, but that does not prevent the mental erection and furnishing of the new homes.

Farmers in the Coonabarabran district say they do not know how the small shearing sheds could successfully operate without the co-operation and assistance of the aboriginal people. A nice tribute!

Congratulations to Miss Gladys Wright and Mr. Fred Ferguson of Brewarrina, who were recently married and have set up home on the Station.

The wedding ceremony was performed by Miss Flint of the Methodist Nursing Service.

Children from Brewarrina Aboriginal Station collected lots of prizes at a recent Concert and Amateur Hour in Brewarrina. The youngsters who attended the concert on the invitation of the Mayor, Mr. Geoff New, spent most of their school holidays with Mr. and Mrs. Gordon practising solos, duets, group action songs, and dancing. Young Percy Boney's rendition of "A Lullaby" was so applauded that he received a special £1 prize.

Brewarrina is very proud of the athletic prowess of its boys and girls and has every reason to be after the number of trophies they won at the recent Rodeo on the Showground.
