Thank you for agreeing to complete this questionnaire.

The following questions will help us to gain a better understanding of your thoughts about traditional languages and language use as well as your language background. Please fill in the blanks or select the best answer(s) from the ones provided.

You do not have to answer any question that you do not want to answer. Your participation is voluntary.

If you need more space for any of your answers, you can attach additional pages to the back of this questionnaire.

Definition: In this questionnaire, the term ‘traditional language’ is used for languages which have been passed on to the current generation of Aboriginal and Torres Strait Islander people by their ancestors. It does not include languages which emerged recently, such as Kriol, Yumplatok, and Aboriginal English.
The following questions will help us to gain a better understanding of your language background.

1. What is the name of the Aboriginal or Torres Strait Islander language you identify with (this could include traditional languages or more recently developed languages such as Kriol, Yumplatok, or Aboriginal English)? You may list more than one.

2. What was the first language that you learned as a child? You may list more than one.

3. What is the language that you speak most often now? You may list more than one.

4. What language is most commonly used in your community now? You may list more than one.
The following questions will help us to understand your thoughts about traditional languages as well as recently developed Indigenous languages such as Kriol, Yumplatok, or Aboriginal English.

Please indicate whether you agree or disagree with the following statements by ticking the appropriate answer for each statement.
