History and Native Title: The Making of a Community Asset

Michael Bennett & Grace Koch

Required Evidence

- Identification of the group claiming the area
- Evidence of descent from the group holding native title in the area at the time of sovereignty
- Existence of a system of traditional laws and customs and how these connect the people with the lands and waters claimed
- Establishment of the nature of the rights and interests claimed and evidence that these rights derive from the traditional laws and customs shown earlier

Future of Connection Materials Project
